

CURRICULUM VITAE

Mikko Rask

Itämerenkatu 8 C 48, 00180 Helsinki, Finland,
tel. +358 50 3222 012, email: mikko.rask@ncrc.fi
January 2010

PERSONAL

Name: Mikko Tapani Rask. **Born:** Jyväskylä, Finland, 21 April 1970. **Nationality:** Finnish. **Sex:** Male. **Marital Status:** Married, 3 children (born 2002 and 2004).

CURRENT POSITION

Senior Researcher, the National Consumer Research Centre, since August 2007.

EDUCATION

PhD, Environmental Strategies and Technology assessment, Helsinki University of Technology, 2008.

MA, Theoretical Philosophy, University of Helsinki, 1997. Minors in sociology and environmental science.

BA, Theoretical Philosophy, University of Helsinki, 1997.

OCCUPATIONAL EXPERIENCE

Coordinator of the Climate arena, an NCRC development platform for citizen participation in climate change decision making, 1/2009-12/2011.

Blog writer, the Climate arena, <http://blogit.kuluttajatutkimus.fi/filmastoareena/>, since 1/2009.

Senior researcher at the National Consumer Research Centre, from 8/2007-

Expert for the Ministry of Trade and Industry, from 5/2005 to 8/2007.

Teacher and researcher at Helsinki University of Technology, Laboratory of Environmental Protection, from 2/2001 to 8/2007.

Educational contact person at the Network Academy of Futures Studies, Finland, from 9/2001 to 6/2007.

Researcher and project manager at Technical Research Centre of Finland, Group for Technology Studies, from 12/97 to 12/2001 (on leave 2/2001 – 12/2001).

Research trainee, University of Helsinki, from 9/97 to 12/97.

INTERNATIONAL EXPERIENCE

MASIS – Monitoring Policy and Research Activities on Science in Society in Europe (EC, DG Research), national correspondent, 2010-2011.

CIVISTI – Citizen Visions on Science, Technology and Innovation project, EU 7th Framework Programme (Blue Sky Research on Emerging Issues Affecting European S&T), WP leader and member of the management committee, 2008-2011.

World Wide Views on Global Warming, a global citizen consultation on climate policy, national coordinator, member of the funding, methodology and partnership work groups, 2008-2009.

Changing Behaviour project, EU 7th Framework Programme Energy theme, researcher and member of the coordination team, 2008-2009.

Foresight and Society ERA-Net, Enablers of Science-Society Dialogue, European Commission, expert and analyst, 2005-2007.

Scholarly visit to University of Stuttgart, Department of Sociology of Technology and Environment (Prof. Ortwin Renn), 2-8 November, 2005.

University of Oslo Summer School in Comparative Social Science, Course on Technology and risk: public perception and social assessment by Brian Wynne, 25-29 July 2005.

EU Advanced Summer Course in Integrated Assessment, ICIS, Maastricht University 1-12 September 2003.

1st VALDOC Summer School on Transparency and public participation for decision-making, 9-14 July 2002, Borgholm, Sweden.

European Commission (Directorate General Enterprise), country reporter for the European Trend Chart on Innovation, 2000-2001.

European Science and Technology Observatory, assistant country reporter, 1997-1999

University of Florence (Università degli studi di Firenze), MA studies in philosophy and sociology, academic year 1994-1995.

GRANTS AND OTHER RESEARCH FUNDING

Finnish Funding Agency for Technology and Innovation, Tekes, grant for research project Society, Experience Economy and Innovation, 2008-2010.

EU 7th Framework programme grant for collaborative project Citizen Visions on Science, Technology and Innovation 2008-2011.

EU 7th Framework programme grant for research programme Contextualising behavioural change in energy programmes involving intermediaries and policymaking organizations working towards changing BEHAVIOUR 2008-2010.

Finnish Funding Agency for Technology and Innovation, Tekes, grant for research project on the Future Concepts of Urban Housing, URBA 2008-2010.

Helsinki Institute of Science and Technology Studies grant for the initiation of post-doctoral research, 2007.

The Finnish Association of Non-fiction Writers grant for the writing of a course book on futures studies, 2007.

Ella and Georg Ehrnrooth foundation grant for the finalization of doctoral dissertation, 2006.

The Ministry of Trade and Industry grant for EU ERA-Net research project on The Enablers of Science-Society Dialogue in Foresight 2005-2007.

Research Programme on Environmental, Social and Health Effects of Genetically Modified Organisms grant for a scholarly visit to University of Stuttgart in autumn 2005.

The Academy of Finland grant for research project on The Socio-Cultural Dimensions of Finnish Biotechnology (within the LIFE 2000 program) 2001-2003.

The Ministry of Trade and Industry grant for research project on The Value Basis of Finnish Technology Policy, 1999-2000.

The Ministry of Trade and Industry grant for research project on Technology Assessment, Values and Participation, 1998-1999.

The Vilamo Foundation grant for finishing master's thesis on Lewis Mumford's philosophy of technology, 1997.

FELLOWSHIPS

Helsinki University of Technology, Department of Civil and Environmental Engineering Graduate School Fellowship 3/2006-1/2007.

The Ministry of Education Fellowship in the Finnish Post-Graduate School in Science and Technology Studies 9/2003-2/2006.

NOMINATED OR ELECTED POSITIONS

Deputy member of the Finnish Society for Environmental Social Science, since 2008-

Deputy member of the Finland Futures Academy, 2001-2008.

Member of the council of Finnish Society for Science and Technology Studies, 2000-2006.

Member of the management team for the VTT Group for Technology Studies, 1999-2000.

TRAINING PROGRAM DESIGN AND MANAGEMENT

Courses and lectures on futures studies, Espoo and Helsinki, Finland, 2001-2007.

SCIENTIFIC REVIEWS AND ASSESSMENTS

Reviewer for scientific journals: *Technological Forecasting and Social Change* (Elsevier), 2009; *Social Science and Medicine* (Elsevier), 2007; *Science, Technology & Human Values* (SAGE Publications), 2006; *VEST, Journal for Science and Technology Studies*, 2006.

MA thesis evaluator: Ms Lotta Toivonen, Helsinki University, 2009.

Book Review Editor of Science Studies. An Interdisciplinary Journal for Science and Technology Studies, 2005-2007.

KNOWLEDGE OF LANGUAGES

Finnish (excellent, mother tongue); **English** (excellent, Cambridge Certificate in Advanced English); **Italian** (good); **Swedish** (fair); **French** (fair); **German** (adequate).

PROFESSIONAL AFFILIATIONS

Member of Finnish Society for Environmental Social Science, since 2000-

Member of TUTKAS, the Finnish Association of Parliament Members and Scientists, since 1997-

Member of the Finnish Society for Science and Technology Studies, since 2000-

Member of the Finnish Society for Futures Studies, since 2001-

Member of the Sociology of Science and Technology Network (SSTNET), since 2002-

Member of the Postgraduate Forum on Genetics and Society, since 2003-

PUBLICATIONS

Articles in international scientific journals with referee practice
